Subject:- Career Fair
Classes IX, X, XI & XII

SPS/293 /2024

12th July, 2024

Create the highest, grandest vision possible for your life because you become what you believe. - Oprah Winfrey

Dear Parents

In our commitment to academic excellence and in our constant endeavour to provide ample opportunities and guidance to students, the school is organising a **Career Fair on Saturday, 20th July, 2024** to create awareness about various career options available to them. This event is a key part of our strategy of supporting our students in their university and career aspirations, and providing ample information about the future pathways available to them. The Career Fair will showcase the most prominent universities of the country and career talks by the experts from the industry.

During this time there will be opportunity for you to speak with exhibitors, as well as to attend insight talks by eminent counsellors to help students learn more about careers and courses provided by the universities. This will further inspire students and help them choose the right trajectory, with their wisdom and experience. Purposeful planning, entrepreneurial thinking, and advice from experts, from their vantage point, can help students fulfil their dreams and achieve an ideal position in life. Assistance from the targeted universities and guidance in the enrolment process will facilitate the fulfilment of their aspirations.

We hereby invite the parents along with their wards studying in Classes IX, X, XI and XII to visit the Career Fair and gain information regarding various career choices for their children.

Kindly register for participation on the given link.
