SUBJECT: NATIONAL ROAD SAFETY MISSION (NRSM) AND OLYMPIAD 2024-25 Classes III - XII

SPS/824 /2024

24th December, 2024

Dear Parent

We are excited to announce our association with **National Road Safety Mission (NRSM) 2024-25**. It is a program that equips children with the knowledge and skills to navigate roads safely. Road safety is a significant challenge in India. Over 1.7 lakh people lose their lives in road accidents annually, with a large proportion being individuals under 35 years old. These statistics highlight the necessity of imparting road safety education to children from a young age.

The Honourable Supreme Court has issued directives to promote road safety education in schools. Additionally, the Ministry of Road Transport and Highways has recommended integrating road safety programs into the school curriculum.

Key Features of the Program:

1. Comprehensive Curriculum:

- Age-appropriate and progressive courses for students from **Grades 3 to 12**. It uses a fun and engaging approach that incorporates age-appropriate activities, interactive videos, and hands-on exercises.
- For students in **Grades 10 to 12**, interactive simulations based on real accident data are included to help them identify potential road hazards and understand critical aspects of road safety.

2. Online Learning:

- The program is entirely **ONLINE**, allowing students to participate from home. This approach not only provides flexibility but also encourages family involvement.

3. National Road Safety Olympiad: Teaching programs and final assessments are FREE for all students.

- The Olympiad is optional and incurs a nominal participation fee.
- Olympiad participation is NOT mandatory.

Program Timeline:

- **Registration Phase:** Free registration for all students. For student registration, please visit: <https://registration.nationalroadsafetymission.org/salOfx>

Further instruction will be shared on students registered email id after registration.

Last Date for student registration - 28th December, 2024

- **Program Duration:** December 1, 2024 – January 17, 2025
- **Final Assessment:** January 18, 2025 (Free)
- **National Road Safety Olympiad:** January 19, 2025 (Optional and fee-based)
