**HOLIDAY HOMEWORK
CLASS XI
2025-26**

Dear students

As you step into Grade 11, you begin a new chapter in your academic journey that brings greater independence, deeper learning, and exciting opportunities for growth. This is the time to discover your strengths, develop new skills, and start working towards your future goals.

The Summer Holiday Homework has been thoughtfully designed to ensure that learning continues beyond the classroom. The tasks included are designed not only to revise the concepts covered so far but also to encourage independent thinking, creativity, and self-discipline.

The endeavour of these tasks is to ensure that you remain engaged with your studies during the summer vacation and provide a smooth transition into the required academic expectations of senior school.

We encourage you to approach each task with sincerity and dedication. Make effective use of your time to reflect, revise, and prepare yourself well for the upcoming challenges and opportunities.

Wishing you a productive and enriching holiday.
