Let's Say Goodbye to our I Cards - the Green Way!

Dear Students and Parents,

Your school ID card isn't just plastic — it's a token of memories, milestones, and moments that shaped your journey. As we turn a new page, it's time to part ways with the old — but responsibly.

Here's what you can do:

- Keep it Forever – Hold on to your old ID card as a memory of your school days. Frame it, save it, cherish it!
- Drop it Off, We'll Do the Rest – If you choose to part with it, simply place your ID card in the eco-drop boxes located at Gate No. 1 or Gate No. 6.

All collected cards will be destroyed in-house with care and handed over to our partner plastic recycling agency, ensuring safe and sustainable disposal. Together, let's make even the smallest act count towards a cleaner, greener planet.

Thank you for being a part of this thoughtful initiative.

Warm regards,

Priyanka Barara
