Subject: Optional Use of Stockings for Girls (Classes I to VIII)

SPS/413 /2025

15th July 2025

Dear Parents,

In response to several requests from few parents wishing to allow their wards to wear tights under their skirts due to weather conditions, pertaining to mosquito bites due to monsoon. The school is permitting girls from Classes I to VIII to wear skin-coloured stockings with their school uniforms, if they choose to do so. Please note that **only skin-coloured stockings are permitted, no other colours are acceptable.**

To promote uniformity, official stockings in a specific shade customised by “**Bonjour**” that is matching the school skirt are available at the school uniform shop **on a minimum discount of 10% on MRP.** However, this is entirely optional. **Parents may also purchase suitable stockings from any reputed vendor in the market, ensuring that the colour and quality match the prescribed product available at the uniform shop.**

We would like to clarify that wearing **stockings is not mandatory.** This option is provided solely for those who wish to opt for it.

Thank you for your understanding and cooperation in ensuring both the comfort of our students and adherence to the school dress code.

Regards

Priyanka Barara
Principal
