Dear Students and Parents,

We are pleased to inform you that our school will be participating in the Wild Wisdom Global Challenge (WWGC) 2025, an initiative by WWF-India. This prestigious global quiz aims to ignite curiosity and environmental awareness among students through engaging questions, interactive workshops, and expert-led webinars.

This year's theme, "*Incredible Insects*," invites students to explore the fascinating world of insects – from glowing fireflies and buzzing bees to agile grasshoppers, graceful butterflies, and many more. We encourage all students to take part in this exciting opportunity to learn more about our planet's biodiversity and become young champions for nature.
