Spell Bee Competition Classes I- IX

SPS/608/2025

9th September 2025

Dear Parent

A Spell Bee Competition is being held for students of Classes I to IX. The objective of the contest is to strengthen spelling skills, encourage accurate language use, and nurture a healthy spirit of competition among students. Since spellings form the foundation of language, and language is the basis of all learning, this initiative will help students improve across subjects.

This competition aims to make correct spelling a lifelong habit. To support participants, guidebooks and regular practice tests will be provided, enabling them to prepare effectively from the school level up to the national level.

The contest will be held on 11th November, 2025 (Tuesday) and is being conducted by India Spelling Bee, a national-level educational organisation that promotes strong spelling habits in children. The participation fee is Rs.175/- per student, which includes the guidebook. Additionally, students will have access to free online mock tests for practice. **The last date to register for the contest and payment of fee is 6th October, 2025.**

- All participants will receive a Certificate of Participation.
- Winners in each group at the school level will be awarded Certificates and Medals.
- National Champions will receive laptops and medals.

We encourage all students to participate and benefit from this enriching experience.
