Dear Parent

The school has launched an **E-Waste Collection Drive** to promote responsible disposal and recycling of electronic waste such as unused batteries, cables/wires, old mobile phones, and other small electronic items. We encourage you to support this initiative by sending any e-waste from home through your ward. Your ward may deposit the items in the designated **e-waste bins/drop boxes** placed at various locations mentioned below within the school premises.

Your cooperation will contribute to a cleaner environment and help create awareness about sustainable waste management among our students.

1. Sr. Computer lab 1, SPS Block (For classes VI-XII)
2. Sr. Computer lab 2, SPS Block (For classes VI-XII)
3. Near Amphitheater, GD Block (For classes Nursery-V)

Regards

Priyanka Barara
