Dear Parents and Guardians,

At Salwan Public School, Rajendra Nagar, we are committed to giving our young learners in **Classes I and II** the best possible learning experiences. Your support and feedback are invaluable in helping us create a caring and enriching environment for every child.

We follow a holistic approach to observe and nurture children's growth. By collecting inputs from parents, teachers, and caregivers, we ensure a 360-degree observation of your child's overall development. This close partnership between home and school is the key to laying a strong foundation for your child's progress. When we work together, we can provide a well-rounded and joyful educational journey that helps every child grow with confidence.

You are requested to take a few minutes to complete the Parent Observation Checklist through the Google Form link shared with you latest **by 14th February 2026**, after which the links will be inactive.
