Dear Parent

At Salwan, we recognize the vital role that nutritious meals play in a child's growth and development. The Salwan Mid-Day Meal Scheme ensures that students from Nursery to Class V receive freshly prepared, balanced meals every day.

Our thoughtfully curated menu is designed to meet the nutritional requirements of young learners while also reflecting regional tastes and preferences. To provide a wholesome diet, we incorporate a variety of seasonal vegetables and maintain a diverse meal plan that delivers essential nutrients. Each meal is carefully planned to meet the recommended caloric intake.

Sharing meals in a communal setting not only promotes healthy eating habits but also encourages children to try and enjoy a wider range of foods.

The annual subscription for the scheme is payable in three installments, with due dates on **5th of April, July, and November**. The mid-day meal service will be managed by M/S Balaji Caterers. Parents are requested to make payments as per the details provided below.
