Dear Students,

It gives me immense pleasure to invite original artwork for the **front cover** of the School Magazine, Spectrum Volume XXIII, based on the thought-provoking theme:

“The Human AI Confluence: The Critical Crossroads.”

This theme calls us to examine the transformative relationship between human and artificial intelligence, and its far-reaching consequences for the world we live in — and the world we are destined to create. Through your artwork, you may explore ideas such as collaboration between humans and machines, ethical dimensions of AI, the balance between innovation and values, or the vision of a future where technology and humanity coexist harmoniously.

Submission Guidelines:

- Artwork must be original and created by the student.
- Medium: Drawing, painting, or digital art. (You may use digital tools such as Canva, Adobe Express, Leonardo AI, Adobe Firefly, and Photoroom)
- Size and format: A4 Sheet
- A brief description (50–80 words) explaining your concept should accompany your submission.
- Last date for submission: [7 May 2026].

Submit your entries to: Ms Ekta - mehra.ekta@salwanpublicschool.com or

Ms Yojna - bablani.yojna@salwanpublicschool.com

This is a wonderful opportunity to showcase your artistic talent and contribute meaningfully to a publication that represents the voice and vision of our school.

I look forward to your enthusiastic participation and to witnessing your unique interpretations of this compelling theme.
