This thoughtfully planned visit blends learning with enjoyment, offering students an opportunity to engage in interactive role-play activities that simulate real-world experiences. Through these activities, children will explore various professions while developing essential life skills in a safe and guided environment.

The programme is designed to foster creativity, decision-making, problem-solving, teamwork, and a sense of responsibility, thereby supporting the holistic development of every child.

Parents who wish to send their ward for the excursion are requested to fill in the Google Form to enable the generation of the payment link. Kindly ensure that the payment is completed by **Friday, 24<sup>th</sup> April 2026**.
