**Subject: Experiential Learning Workshop on Indigenous Art – Madhubani
Class-VIII**

SPS/63/2026-27

17th April 2026

Dear Parent

At our school, we believe that true learning goes beyond textbooks and finds expression through meaningful experiences. In line with this vision, we are delighted to offer our students of class VIII, an opportunity to engage with one of India's most vibrant indigenous art traditions—Madhubani painting.

Rooted in the cultural soil of Bihar, Madhubani art is not merely a form of decoration but a powerful medium of storytelling. For centuries, it has been used to express connections with nature, celebrate life events, and depict themes from mythology and everyday living. Through this workshop, students will step into the world of traditional artists and experience firsthand the richness of our indigenous heritage.

The Madhubani Painting Workshop is designed as a hands-on, immersive session where students will learn techniques, understand symbolism, and create their own artwork. This initiative aligns with our commitment to experiential learning, encouraging creativity, cultural appreciation, and skill development.

Workshop Details:

- Date: 20th April 2026 (Monday)
- Participation: Only the first 100 students will be allowed to participate (first-come, first-served basis)

As part of this learning experience and to support traditional artisans, students are requested to bring ₹100 to purchase Madhubani stencils in the form of bookmarks, small paintings, hangings, and similar handcrafted items.

We encourage you to motivate your ward to participate in this enriching journey of art, culture, and creativity.

Note: Participation will be confirmed on a first-come, first-served basis.

Warm regards,

Priyanka Barara
(Principal)
