## CIRCULAR

Subject: Launch of Code Bots Club ( Classes VI-IX) – Session 2026-27

SPS/ 83 / 2026-27

21 April 2026

Dear Parents,

In an era driven by technology and innovation, proficiency in robotics and coding is no longer optional but essential for nurturing future-ready learners. The school is delighted to announce the launch of the Code Bots Club for students of Classes VI-IX for the academic session 2026-27. This initiative is being introduced in collaboration with Ignited Mindz, a team of experienced technocrats from premier institutions such as IITs, IIMs, BITS Pilani, and international scholars.

The sessions will be conducted for one hour during the first period on all working Mondays, and will continue until the completion of the prescribed curriculum. The classes will commence from the first week of May.

The program follows a holistic, end-to-end innovation pathway that goes beyond foundational training in coding and robotics. Students are thoughtfully mentored to ideate, design, and develop competition-ready prototypes for esteemed platforms such as INSPIRE-MANAK, IRIS, and CBSE Innovation initiatives.

**Given below is the google link for providing the student's details.**

<https://forms.gle/QvLVBmtrSn71DSng8>

### Program Flow

Phase	Coverage	Focus Area	Learning Outcome
I	Classes 1-2	Basics of Electronics (Breadboard, LED, circuits)	Foundation in circuits
II	Classes 3-5	Arduino IDE, basic coding, LED control	Hardware-software integration
III	Classes 6-10	Sensors (LDR, IR, Ultrasonic), automation	Smart systems development
IV	Classes 11-14	Display systems (7-segment, LCD)	Data display & interaction
V	Classes 15-17	Bluetooth & IR control	Wireless communication
VI	Classes 18-24	Motors & robotics projects	Functional robot building
VII	Class 25	Design thinking & innovation	Problem-solving skills
VIII	Classes 26-30	Project work, presentation & evaluation	End-to-end project execution

**Interested parents are requested to make the online payment by 26th April 2026.**

**Fee Details:** The annual fee for the Code Bots Club is ₹4,158. This includes a comprehensive resource kit equipped with sensors and processors, along with the complete year-long programme. The payment should be made via net banking. After completing the transaction, kindly fill in the payment

details and upload an image of the signed consent form in the provided Google Form for record purposes.

**Bank Details:**

Name: HDFC Bank Limited  
Add. : E-143, Saket, New-Delhi-110017  
A/C.No.:50200017446866  
IFSC : HDFC0000043  
Visit at [www.ignitedmindz.asia](http://www.ignitedmindz.asia)  
Mail at [support@ignitedmindz.asia](mailto:support@ignitedmindz.asia)

**NOTE:**

- Withdrawal Policy: No refunds will be processed once payment is made and students are finalized
- No request will be entertained after all the seats are booked. Being in waiting does not confirm your participation in innovation club
- Filling of google form is mandatory (link for the same is provided above in the circular)
- For any query please contact respective class teacher.

Regards

Priyanka Barara  
Principal
