Subject: Launch of Code Bots Club (Session 2026-27)

Class KG- V

SPS/O87 / 2026-27

22.4.2026

Dear Parents,

In an era driven by technology and innovation, proficiency in robotics and coding is no longer optional but essential for nurturing future-ready learners. The school is delighted to announce the launch of the Code Bots Club for students of Classes KG-V for the academic session 2026-27. This initiative is being introduced in collaboration with Ignited Mindz, a team of experienced technocrats from premier institutions such as IITs, IIMs, BITS Pilani, and international scholars.

The sessions will be conducted for one hour during the first period on all working Mondays, and will continue until the completion of the prescribed curriculum. The classes will commence from the first week of May.

The program follows a holistic, end-to-end innovation pathway that goes beyond foundational training in coding and robotics. Students are thoughtfully mentored to ideate, design, and develop competition-ready prototypes for interschool competition.

Given below is the google link for providing the student's details.
