Subject: Brighter Minds Programme- Student Batch (May 2026)
Classes IV-VII

SPS/151 / 2026-27

6.5.2026

Dear Parent

We are pleased to inform you that the Brighter Minds Programme, which was successfully conducted in our school during the past two academic years, will once again be offered to students of Classes IV to VII. The programme has received an encouraging response in the previous cycles, and we are happy to continue this enriching initiative.

The second batch for this academic session will be conducted **from 18th May to 22nd May, 2026**. The Brighter Minds Programme focuses on holistic brain development and aims to enhance:

- Concentration and focus
- Memory and cognitive abilities
- Creativity and imagination
- Emotional balance and self-confidence

The programme will be conducted for one and a half hour per day by our trained teachers to ensure effective implementation. For participation, each student will require a **Brighter Minds Kit costing ₹600/-**, which needs to be ordered in advance. Additionally, refreshments will be provided to students during the programme sessions.

Parents of students of Classes IV–VII who are interested in enrolling their ward are requested to kindly fill the below-mentioned Google Consent Form. This will help us finalise the number of kits to be ordered and organise the batches efficiently.

Link for consent: <https://forms.gle/9cV2GeT1tzrpqrzB7>

Kindly note that the number of students for this batch is limited to 20. Enrolment will be on a first-come, first-served basis. Students who had already participated in the April batch are requested not to register again.

We look forward to your continued cooperation and enthusiastic participation in this valuable initiative.

Regards

Priyanka Barara
Principal
