Dear Parent

We are pleased to inform you about our latest unique initiative: Communication Champions League- Chapter 1.

In our endeavour to nurture future leaders with powerful communication skills, we, at Salwan are ready to launch 'Communication Champions League': -Celebrating the Power of Self-Expression- for the students of Class IV.

The initiative will be implemented throughout the academic session 2026-2027. Every week, students exhibiting proficiency in communication will be identified by the English language teachers. The selection will be made on the basis of participation of the students in classroom discussions and oral activities conducted during the regular English language periods. These outstanding speakers will receive tokens (wooden chips) of appreciation for effective communication every Friday. The students who would earn the highest number of tokens by the end of each month will receive a note of appreciation. The skilled communicators who would receive the maximum number of appreciation notes from each section by the end of the session (by February 2027) will be recognised as 'Communication Champions.'

As we appreciate the extraordinary skills of our Communication Champions we look forward to your cooperation and support. Please encourage your wards to read books, enrich their vocabulary and enhance their language skills.

A Gentle Heads-Up (A Word of Caution): This is a Value-Addition Programme focusing on Life Skills Outcomes. Let's not be driven by comparisons or promote cut-throat competition. Let's not pressurize our children to outshine others or push them towards acquisition of rewards. Rather, let's focus on respecting all voices and celebrating each other's accomplishments to create a healthy learning environment.

This will enable us to achieve our goals while upholding the true spirit of the programme.

Together, let's groom confident learners and eloquent speakers by creating a culture of self-expression to raise a generation of empowered leaders.

Warm Regards,

Rashi Oberoi
