## CIRCULAR

**Subject: Awareness on Child Safety, Child Rights & Online Safety**

**Classes: I-XII**

SPS/ 386/ 2026-27

14 July 2026

Dear Parents,

At our school, the safety, well-being, and holistic development of every child remain our highest priority. We believe that a safe and supportive environment, both at school and at home, is essential for every child's growth and learning.

As partners in your child's education, we request your continued support in promoting awareness about **child safety, child rights, and responsible digital behaviour**.

### **Child Safety**

Please encourage your child to:

- Speak openly with trusted adults about any situation that makes them feel uncomfortable, scared, or unsafe.
- Understand the difference between safe and unsafe touch and know that they have the right to say "No" to inappropriate behaviour.
- Never accept gifts, rides, or invitations from strangers without parental permission.
- Inform parents, teachers, or school counsellors immediately if they experience or witness bullying, harassment, abuse, or any unsafe incident.

### **Child Rights**

Every child has the right to:

- Feel safe, respected, and protected from all forms of abuse, neglect, discrimination, and exploitation.
- Learn in a secure, inclusive, and supportive environment.
- Be heard and treated with dignity.
- Receive care, guidance, and equal opportunities for growth and development.

Parents are encouraged to foster open communication at home and reassure children that they can always seek help without fear of punishment or judgment.

### **Online Safety**

In today's digital world, children require guidance to use technology responsibly. We request parents to:

- Monitor and supervise your child's online activities and screen time.
- Ensure the use of age-appropriate websites, applications, and digital platforms.
- Teach children never to share personal information such as passwords, home address, phone number, school details, photographs, or financial information with strangers online.
- Encourage respectful and responsible online behaviour and discuss the consequences of cyberbullying, inappropriate content, and unsafe online interactions.
- Keep devices updated with appropriate parental controls and privacy settings.
- Advise children to immediately report any suspicious messages, online threats, or uncomfortable interactions to a trusted adult.

### **Working Together**

The safety and well-being of our children are a shared responsibility. We request all parents to:

- Spend quality time with your child and maintain open communication.
- Listen patiently to their concerns and observations.
- Encourage them to seek help whenever they feel unsafe.
- Stay connected with the school regarding your child's emotional, social, and academic well-being.

Together, let us create a safe, respectful, and nurturing environment where every child feels protected, valued, and empowered to thrive.

We appreciate your cooperation and continued partnership in ensuring the safety and well-being of every child.

Regards

Priyanka Barara  
Principal
