Subject: A Letter to my Young Readers

Classes Nursery-V

SPS/656 / 2026-27

2 September 2026

Dear Children,

A book is a curious thing.

It can sit quietly on a shelf, waiting patiently for someone to open it and then, in a moment, it can transport you somewhere entirely new. To another world. Another time. Another life. It can make you laugh, wonder, question, imagine and dream.

This is why, from the very beginning, we believed that **reading is not simply a skill to be learnt; it is a world to be entered.**

Our **Read 2 Lead** journey began in 2020 with a simple belief: that children who read widely learn to think deeply, express themselves confidently and look at the world with greater curiosity.

September 2026, this journey takes another exciting step.

Welcome to 'One Minute Reads' Version 3.0 of Read 2 Lead.

Every week, we will bring you a **One Minute Story Reel** a little teaser from a wonderful story, a glimpse into a character, a moment of mystery, a spark of adventure, or perhaps a question that leaves you wondering.....**"What happens next?"**

But remember: **the reel is not the story. It is an invitation to discover the story.**

Every fortnight, a new story will await you.

Some may make you laugh.

Some may surprise you.

Some may take you on extraordinary adventures.

Some may introduce you to characters you will never forget.

And perhaps, along the way, you will discover a book that becomes *a* story you want to return to, recommend to a friend, or carry with you long after you have finished reading it.

This is what **One Minute Reads** is really about.

It is about using the language of today the digital world to lead you back to the timeless world of books.

It is about making reading **curious, purposeful and joyful.**

So, every week, I invite you to join us on the schools Instagram Page or our YouTube channel.

don't stop there. **Let curiosity lead you to the book.**

Find it in your **class library or school library.**

Pick it up, Turn the first page.

And let the story take you where the reel could not.

Watch the reel.

Listen to the story.

And then turn the pages and discover the rest.

Let our screens become **windows to books** and let our books take us far beyond the screen.

Our journey is beautifully simple. Because every book opened is a world discovered.

And every child who learns to love reading carries those worlds with them wherever they go.

So, my young readers, I have just one question for you:

What will you discover this week?

Happy reading!

With warm wishes,

Rashi Oberoi
