

DELHI AI GRIND INITIATIVE

Fostering Innovation and Touching Tomorrow

The Delhi AI Grind, a citywide educational initiative of the Department of Education, Government of NCT of Delhi, was successfully held at the school on 29 December 2025 for students of Classes VI to XI. As part of Delhi AI Grind, India's first city-centric AI innovation movement, students were introduced to the process of identifying real-world civic challenges and designing AI-driven solutions. The initiative culminated in the Delhi AI Grind Event held on 17 January 2026. The school was shortlisted for the prestigious DoE Mascot Visit from among nearly 1,400 participating schools, in recognition of its outstanding involvement and performance. Over 1,000 students presented innovative A3 concept sheets, showcasing AI-based solutions to real-life problems.

YOUNG INNOVATORS SHINE ON NATIONAL STAGE

Arnav Chauhan (Class IX) and Ridhima Diggpaul (Class XII), under the mentorship of Dr Shilpa Raghuvanshi Chauhan, PGT Biotechnology, earned national recognition for their innovation, "ColourSyn", an Arduino-based assistive device that helps the visually impaired identify the colour and weight of socks through audio output. Selected from over 12 lakh entries under the Ministry of Education's Innovation Cell (AICTE), their project ranked among the Top 5 out of 46 national winners at the Akhil Bharatiya Shiksha Samagam 2025, held at Bharat Mandapam, New Delhi, marking five years of NEP 2020. The project received special attention from Union Education Minister, Shri Dharmendra Pradhan and other dignitaries. The team was also invited to the National Innovation Exhibition and Training Program, where they gained exposure to expert-led sessions and national-level innovation platforms.

Dr. Sukanta Majumdar, Minister of State in the Ministry of Education

Shri TG Sitharaman, Chairman, AICTE

Shri Abhay Jere, Vice Chairman, AICTE,
Chief Innovation Officer, Ministry of Education

Shri Harjot Singh Bains, Education Minister of Punjab

SPOTLIGHT ON SUCCESS

CHAMPIONING ROAD SAFETY

The school was bestowed with the Silver Award, recognising its sustained commitment to advancing road safety education, at the National Road Safety Education Excellence Award Ceremony 2025–26, held on 25 April 2026 at the Dr. Ambedkar International Centre, which brought together participants from 23 states. Deliberations at the ceremony underscored the pivotal role of schools in cultivating responsible road behaviour through initiatives such as Road Safety Clubs, structured teacher training, staggered timings, helmet enforcement, and experiential learning modules.

STATE TEACHERS' AWARD 2025

Ms Jyotsna Grover, Vice Principal, Salwan Public School, was conferred with the State Teachers' Award 2025 at the Shikshak Mahakumbh, organised by the Directorate of Education, Government of NCT Delhi, at Thyagraj Stadium on September 5, 2025. She was honoured for her student-centred teaching, contributions to the implementation of NEP 2020, promotion of STEM education, and commitment to teacher empowerment.

A BEACON OF SUCCESS AT SDG FEST 2025

The school was honoured with the prestigious awards for Best Presentation Style and Evidence-Based Contribution at the SDG Fest 2025 – Green School Summit, held at Ahlcon International School, Delhi, on 25 September 2025. This recognition was awarded in appreciation of the school's exemplary participation in the Inter-School Sustainability Audit Competition, where it showcased innovative and impactful practices in Solid Waste Management. The presentation highlighted systematic waste segregation, recycling initiatives, student-led awareness drives and sustainable campus practices.

TEACHERS' DAY CELEBRATION 2025: HONOURING EDUCATORS

Teachers' Day 2025 was celebrated with great enthusiasm and reverence, honouring the invaluable role of educators in shaping young minds and nurturing future leaders. A heartfelt tribute was paid to the educators for their steadfast dedication and their invaluable contributions to both academic excellence and co-curricular development. Certificates of appreciation were presented to the faculty by Mrs Mukul Jha, Director (Training), Salwan Education Trust; Major General Sanjeev Shukla, VSM (Retd), Director, Salwan Public School; and Mrs Priyanka Barara, the Principal.

IIHM TEACHER'S DAY AWARD 2025

The IIHM Teacher's Day Award 2025 was presented to Mrs Priyanka Barara, Principal, and Mrs Garima Chawla, PRT (Computer Science), at a ceremony organised by the International Institute of Hotel Management (IIHM) on 5 September 2025. The award recognised their unwavering dedication and valuable contributions to curriculum enrichment and pedagogy, reaffirming the institution's commitment to excellence and innovation.

PROFESSIONAL EXCELLENCE AWARD IN ECONOMICS

The Professional Excellence Award in Economics was bestowed upon Mrs Kalyanee Varshney, PGT (Economics), by the Commerce Teachers' Foundation on 14 September 2025 at the India International Centre, New Delhi. She was honoured for the outstanding performance of her students in Economics in the CBSE Board Examination 2024-2025.

A REMARKABLE SHOWCASE OF STEM LEADERSHIP

Dr Shilpa Raghuvanshi Chauhan secured the First Position with the highest jury score of 85 at the District STEM Deliberation Day (STEM- DLD) held on 25 July 2025 at Lilawati Vidya Mandir Sr. Sec. School, New Delhi. Organised in collaboration with CBSE COE (West), the event featured leading educators from across Delhi. Her presentation on industry-integrated STEM education was acclaimed as the most outstanding. She was also invited to serve as a Jury Member at the Delhi AI Grind District and State Finals, contributing her expertise to academic excellence.

EXPLORING NEW REALMS OF LEARNING

EXPLORATORY EXPEDITION TO THE INDIAN MILITARY ACADEMY, DEHRADUN *A Transformative Learning Experience*

An educational trip to the Indian Military Academy (IMA), Dehradun, was organised by the Salwan Education Trust from 14 to 16 November 2025 for the students of Classes VIII, IX, and XI. The students were inspired by the discipline and dedication of the armed forces. They also got an opportunity to visit Forest Research Institute (FRI), which gave them insights into environmental research and conservation. Students actively participated in a variety of team-building activities that fostered leadership, collaboration, problem-solving skills, and self-confidence among them.

EDUCATIONAL VISIT TO THE NATIONAL GANDHI MUSEUM

The students of Class VIII (ITIHAAS Club) visited the National Gandhi Museum, Rajghat on 4 November 2025 to deepen their understanding of Mahatma Gandhi's life and ideals. Through guided storytelling, museum exhibits, and a hands-on Charkha activity, students gained insight into Gandhiji's philosophy of truth, non-violence, and self-reliance. The visit proved to be both informative and inspiring.

EXPERIENTIAL LEARNING AT THE NATIONAL SCIENCE CENTRE

An educational visit to the National Science Centre, Delhi, was organised for students of Class VIII on 1 November 2025 to promote experiential STEM learning. Students participated actively in interactive sessions such as 'Fun with Mathematics' and 'Build it, Balance it,' gaining practical understanding of mathematical concepts and principles of equilibrium. The visit nurtured analytical thinking, curiosity, and innovation, reflecting the spirit of the National Education Policy 2020.

ADVENTURE CAMP

Into the Realm of Thrill and Exploration

The students of Classes I to V participated in an Adventure Camp organized at Rocksport Camp Site, Sonapat on 21 November 2025. The excitement of the students knew no bounds as they were engaged in invigorating activities such as river-crossing, rappelling, zorbing, zip-line, etc. that aimed to inculcate values such as self-discipline and sportsmanship in them. The day adventure capsule provided students with a platform to develop essential life skills such as problem-solving, team spirit, and leadership.

A GUIDED TOUR OF KIRAN NADAR MUSEUM OF ARTS

Experiencing the Magic of Artistic Expression

Students from Classes IV and V visited the Kiran Nadar Museum of Arts on 3 December 2025. The young learners explored a captivating exhibition based on the theme, 'Songlines: Tracking the Seven Sisters'. The visit provided a meaningful opportunity to the learners to connect with indigenous art and appreciate diverse cultural narratives. The students immersed themselves in storytelling through visual arts. The splendid artworks and exhibits inspired them to develop their creativity and imagination.

VISIT TO ISKCON TEMPLE

Awakening Spiritual Consciousness through Cultural Connection

A visit to ISKCON Temple was organised for the young learners of Classes I, II and III on 12 February 2026. The students explored the Vedic Museum and the Glory of India and Vedic Cultural Centre. Depicting Indian cultural heritage through the effective use of technology, the meticulously curated exhibits sparked curiosity and wonder among the young learners. The students gained meaningful insights into the way of life followed by the International Society for Krishna Consciousness and developed an appreciation of our spiritual values, fostering a deep connection with our cultural roots.
