

DEWORMING DRIVE FOR STUDENTS

Promoting Health and Well-Being

In pursuance of the directives issued by the Directorate of Education, the school initiated a deworming drive for the students from 26 to 30 August 2025 to promote healthy practices. Deworming tablets were provided free of cost in the school premises. Parents of students from Nursery to Class V supported this initiative and participated wholeheartedly in the deworming drive.

CAPACITY BUILDING PROGRAMMES

GATEWAY TO GLOBAL CAREERS

A session on 'Gateway to Global Careers' was organised on 16 April 2025 in collaboration with the Washington University of Science and Technology (WUST). The session provided valuable guidance to parents and students aspiring to pursue higher education in the United States. Key highlights included career-oriented programmes in IT, business, and emerging global domains, along with detailed information on admissions procedures, scholarships, and evolving academic trends such as Artificial Intelligence and interdisciplinary learning.

AN INSPIRING SESSION ON CAREERS IN THE ARMED FORCES

An inspiring session on 'Careers in the Armed Forces' was conducted for students of Class VIII by Commander Navneet Nagi (Retd), an alumnus (Batch-1993). The decorated naval officer shared experiences from his career, highlighting leadership, perseverance, and discipline. An engaging interaction allowed students to explore opportunities in defence services and motivated them to serve the nation with dedication.

HANDS-ON LEARNING IN PSYCHOLOGY

An Internship Programme in Psychology was attended by students of Class XII in two batches – from 2 to 7 June and 9 to 14 June 2025 at Fortis Hospital, Shalimar Bagh. Under the guidance of clinical psychologists and psychiatrists, students gained practical exposure to psychological interviewing, Mental Status Examination (MSE), and therapeutic approaches. The internship bridged theoretical knowledge with real-world application and provided valuable insight into careers in mental health and community well-being.

ALUMNI CONNECT: AN INTERACTIVE SESSION ON CAREER COUNSELLING

An interactive session was conducted for students of Class IX by Ms Kreeti Mathur, Head, Talent Acquisition, ISGEC Heavy Engineering Ltd., on 4 February 2026. An alumna (Batch- 2003), Ms Kreeti shared insights on career planning, skill development and adaptability in the corporate world. The session encouraged students to set realistic goals and value continuous learning. Ms Mathur also presented a laptop as a token of appreciation for the school's digital initiatives.

'GREAT TALKS' BY BRITISH COUNCIL

An insightful session on 'Exploring the Impact of Ownership Models on Business and Society' was conducted on 15 September 2025 for Commerce students of Classes XI and XII under the British Council's 'GREAT Talks' initiative. The session was conducted by Prof. Nick Motson, Associate Dean at the University of London. The talk provided profound insights into how different ownership structures shape businesses and their broader role in society, making it an engaging and enriching experience for the learners.

FROM WASTE TO WORTH: LEARNING RESPONSIBLE E-WASTE PRACTICES

A Workshop on E-Waste Awareness was conducted in collaboration with Green Eco Link Pvt. Ltd. on 13 November 2025. The session highlighted the principles of Reduce, Reuse and Recycle, encouraging sustainable habits and environmental responsibility. As part of the Mission LIFE initiative, students were encouraged to adopt responsible electronic waste disposal practices and were made aware of their role in environmental sustainability.

ENVISIONING A 'PLASTIC-FREE FUTURE'

A talk on 'Plastic-Free Future' was organised for students of Classes VI to VIII on 7 May 2025. The session was convened by distinguished speakers- Mr Prabjhot Sodhi, Senior Program Director (Circular Economy) at the Centre for Environment Education, and Mr Hem Kumar Pande, Chairman, Salwan Public School, Rajendra Nagar, and Former Secretary to the Government of India. The speakers addressed key issues such as waste segregation, plastic pollution, microplastics, and sustainable consumption, encouraging students to adopt responsible environmental practices and contribute to eco-friendly initiatives.

WORKSHOP ON WATER CONSERVATION AND PLASTIC WASTE MANAGEMENT

Students of Class IX attended a workshop on Water Conservation and Plastic Waste Management on 27 November 2025 at Manav Sthali School, New Rajendra Nagar, New Delhi. The workshop was organised under the Environment Education Programme, an initiative of the Ministry of Environment, Forest and Climate Change, Government of India. The engaging session featured interactive discussions, real-life demonstrations, and thought-provoking activities that underscored the importance of conserving water, reducing single-use plastics, and adopting sustainable practices.

AIR ROCKETORY WORKSHOP

Exploring the Wonders of Rocket Science

An engaging Air Rocketory Workshop was conducted for the students of Classes III and IV on 13 October 2025, in collaboration with Starscapes, an astro-tourism platform. The innovative hands-on activities fostered a scientific temperament among the learners and ignited their curiosity. The students delved into the scientific principles of rocketry. They designed and built their own models, and witnessed thrilling launches by applying STEM concepts under the guidance of specialized mentors.

ARTISAN WORKSHOP ON TRADITIONAL INDIAN ART FORMS

An Artisan Workshop on Traditional Indian Art Forms was organised on 17 December 2025. Renowned artisans, Smt Lajwanti and Mr Sujit Karn introduced students to the history, techniques, and cultural significance of traditional art forms. Live demonstrations and guided hands-on sessions enabled experiential learning. The workshop enhanced creativity, appreciation for craftsmanship, and awareness of India's rich artistic heritage.

EXPLORING INDIA'S ARTISTIC LEGACY

An enriching exploration of India's artistic legacy unfolded during a special session led by internationally renowned art historian and filmmaker, Professor Benoy K. Behl on 17 November 2025. Through captivating visuals and anecdotes from his travels, he offered deep insights into the Ajanta murals, Buddhist heritage, and ancient art traditions, while drawing meaningful parallels between Indian and Japanese cultures. The interactive discussion encouraged thoughtful inquiry, leaving students inspired to appreciate art, history, and cultural research more deeply.

PROMOTING THE CHHAU LEGACY

A Workshop on Chhau Dance was conducted on 18 and 19 July 2025 by artists from Shri Ram Bharatiya Kala Kendra. Participants explored the expressive movements, rhythmic patterns, and storytelling elements of this classical dance tradition from Eastern India.

WORKSHOPS ON SCULPTURE MAKING AND MASK MAKING

Crafting Marvels and Masterpieces

A Sculpture Making Workshop was conducted for the students of Class V on 6 December 2025. The workshop introduced students to the basic techniques of sculpture making and enabled them to understand the importance of three-dimensional art. This was followed by a Mask Making Workshop organized for the students of Class IV. The students explored a variety of innovative craft techniques to create different varieties of masks. Through hands-on learning, the workshops aimed to enhance their creativity and artistic expression.

INDUCING GENDER SENSITIVITY

A Workshop on Gender Sensitivity was conducted for students of Class VIII on 22 April 2025 in collaboration with Pratisandhi Foundation. The session aimed to promote awareness on puberty, gender identity, and emotional well-being in a safe and inclusive environment. The workshop encouraged informed dialogue and strengthened awareness during the crucial stage of adolescence.

ORIENTATION PROGRAMMES FOR PARENTS

Strengthening Home-School Partnership

Orientation Programmes were organized in the month of March 2025 across all classes to familiarize parents with the school system and encourage them to participate actively in their children's educational endeavours. The Principal, Mrs Priyanka Barara emphasized the significance of home-school partnership, regular attendance and safety measures, while the Vice Principal, Mrs Jyotsna Grover and the Headmistress, Mrs Rashi Oberoi discussed the different dimensions of holistic development and competency-based assessments. The queries of the parents were also addressed during the interactive sessions.

INSIDE OUT: PARENTING WITH PURPOSE

A session titled, 'Inside Out- Mapping the Growing Child' was conducted on 19 July 2025. The session focused on understanding adolescents' emotional and psychological development. Through reflective activities and expert guidance, parents gained insights into communication strategies and emotional awareness.

A PARENT'S GUIDE: NAVIGATING THE TEENAGE YEARS

A session on Parenting Teenagers was conducted for parents of students from Classes VI to XII on 15 November 2025. The session introduced the 3S framework- 'Support', 'Scaffold', and 'Set it Free', to nurture self-reliant adolescents. The interactive approach enabled parents to reflect on communication styles and strengthen healthy parent-child relationships.

ROADMAP 2026: CAREER GUIDANCE WORKSHOP FOR PARENTS

A session on 'Roadmap 2026: Trending Careers and Changing Fields' was organised for the parents of the students of Class X on 22 November 2025. The session apprised students of emerging career domains, interdisciplinary pathways, and informed stream selection. Students gained clarity on academic planning and future career prospects.

EMPOWERING CHILDREN WITH ADHD

A workshop on Empowering Children with ADHD was organised on 12 January 2026 for parents and teachers. The session provided practical classroom and home-based strategies rooted in consistency, clarity, and compassion. The initiative strengthened collaborative efforts to support children's emotional and academic development effectively.
