

GREEN GUARDIANS IN ACTION: A STEP TOWARDS SUSTAINABILITY

Demonstrating its strong commitment to environmental responsibility, the school, through its proactive Eco Club, collected 376 kg of plastic waste over a period of seven months, actively involving students of Classes VI to VIII. The initiative undertaken in collaboration with Virwes Livelish Pvt. Ltd., promoted responsible recycling and environmental stewardship. Beyond reducing plastic waste, it nurtured lasting eco-conscious habits among students. The school aims to expand this impactful drive towards a cleaner and greener future.

PAPER RECYCLING PROJECT

Conserving Resources for a Sustainable Future

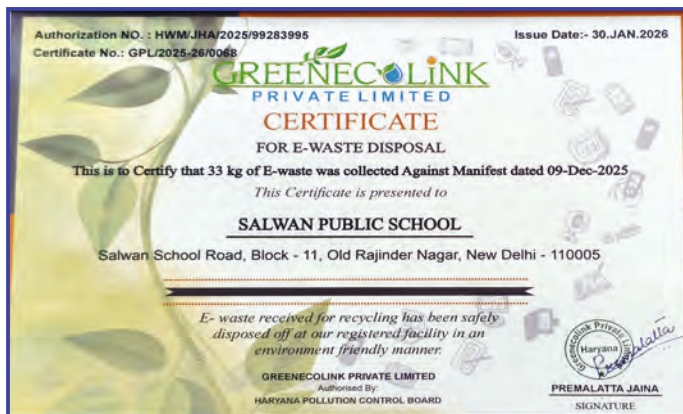

The Salwanians have been actively promoting environmental sustainability through the Waste Paper Recycling Project since 2013 in collaboration with an NGO. The NGO collects waste paper from the school and provides A4 reams in exchange (approximately 50 reams per tonne). This pathbreaking initiative aims to reduce deforestation, conserve natural resources, lower waste disposal costs, and minimize our carbon footprints.

E-WASTE COLLECTION DRIVE

Promoting Eco-Consciousness and Greening Minds

An E-waste collection drive was organised in collaboration with Green Eco Link Pvt. Ltd. E-waste collection bins were placed at strategic locations in the Primary and Senior Wings for the collection of electronic waste. This year, the school was awarded a 'Certificate of Appreciation' for its contribution to promoting sustainable ways of managing electronic waste through the principles of 'Reduce, Reuse, and Recycle'.

ENVIRONMENTAL AWARENESS CAMPAIGN

Building an Environmentally Responsible Community

The students from Pre-Primary to Class V participated in an environmental awareness campaign to raise awareness on the harmful effects of plastic on the environment. As part of the campaign, a wide range of activities were conducted on 28 May 2025. Holding inspiring placards, posters and jute bags, the eco warriors participated in a Green Walk, chanting slogans to encourage the students to adopt sustainable practices.

VAN MAHOTSAV: PLANTATION DRIVE

Nurturing Nature for a Greener Future

The students of the Primary Classes celebrated 'Van Mahotsav' on 14 July 2025 with great enthusiasm. A Special Assembly was organised on the theme, 'Environmental Conservation' featuring a vibrant skit, inspiring poems, melodious songs, and an expressive dance performance. A Plantation Drive was organised wherein the students and teachers planted saplings together, demonstrating their shared commitment to building a greener future. The students pledged to adopt sustainable practices to bring about a positive change in the environment.
