Dear Parents,

"The greatest gift one generation can offer the next is the wisdom of experience."

We are pleased to inform you that the school is organising a comprehensive Career Guidance Programme for students of **Classes X, XI and XII**, aimed at providing meaningful exposure to diverse career pathways and higher education opportunities.

As part of this initiative, the school is launching **"Alumni Career Connect – Learn from Those Who Once Walked These Corridors"**, wherein accomplished alumni from diverse professional backgrounds will return to their alma mater to interact with our students. They will share their professional journeys, experiences, challenges, opportunities and the key decisions that shaped their careers.

Students will attend these specially curated sessions from **8th to 10th September 2026**, gaining valuable insights from the experiences of those who once sat in the same classrooms and have since carved successful paths in diverse fields.

In addition, a Career Fair is being organised on **11th September 2026** in the J. J. Hall from **9:00 AM to 1:30 PM**, bringing together representatives from leading universities and higher education institutions. Parents are cordially invited to visit the Career Fair and interact directly with the representatives of the participating universities and institutions. This will provide an opportunity to explore and discuss future academic and career options and learn about:

- Diverse undergraduate programmes and academic pathways.
- Emerging fields of study and career opportunities.
- Admission processes and eligibility criteria.

The combined experience of successful alumni and leading universities will provide our students with a comprehensive platform to explore possibilities, clarify their doubts and make informed decisions regarding their academic and career choices.

We look forward to the enthusiastic participation of our students in the Alumni Career Connect sessions and warmly invite parents to join their wards at the Career Fair, making this initiative a meaningful and enriching experience for our young learners.

Once a Salwanian, Always a Salwanian.
