9 September 2026

Dear Parents,

We are reaching out with an urgent appeal regarding the safety of our students during the morning school commute. Recently, students a helmet drive was conducted in the school an initiative to ensure road safety. However, daily observations outside the school premises reveal deeply concerning practices that put our children at severe risk. We have noted two major safety violations occurring every morning:

**Riding Without Helmets:** A large number of parents and students arriving on two-wheelers are not wearing helmets—neither the free ones provided nor their own.

**Dangerous Road Crossing :** Many parents and students are crossing Pusa Road by jumping over the central verge below the metro track instead of using designated, safe pedestrian crossings.

We cannot overlook actions that directly endanger the lives of our students. Putting a child's life at risk to save a few minutes of travel time is unacceptable, and as parents and educators, we must model the safest behavior for them.

**Effective immediately,** arriving at school on a two-wheeler without a helmet, or jumping the central verge on Pusa Road, will be treated as a severe act of indiscipline. Students found violating these essential safety rules will not be permitted to enter the school campus and will be sent back home.

We request your immediate and absolute cooperation. Please ensure you and your child wear helmets on two-wheelers and strictly use safe pedestrian crossings. The safety of our children is a shared responsibility, and we rely on you to help us enforce it.

Thank you for prioritizing your child's well-being.

Priyanka Barara
